## FALL 2009 PLEDGE CLASS

The new semester rolled in with eleven new pledges being inducted into the Psi Delta Chapter. These young men have a lot to look forward to before being initiated into Chi Phi. They will end up learning the creed, alphabet, and our values before they get to the big day. They have just discovered who their big brothers are, and now they will start their paddles and get to know each brother in the chapter. It is required that each pledge receive every active brother's signature before they can be initiated into the chapter. This is a great way for the new guys to get to know the actives. Also, Alumni signatures are always welcome.

## COMMUNITY SERVICE

Brother Rokayak has been busy helping the community in several different ways this semester. So far the Psi Delta Chapter has co-sponsored an event with Sigma

Kappa Sorority by helping to manage a Red Cross Blood Drive on UNC-Charlotte's campus. A few days after that great event, Chi Phi participated in a creek clean-up of two new locations on campus. This is a great way to be seen around the university, especially with one of those locations being in front of the NEW Student Union.

## WHAT IS A SHRIMP BOIL?

So what exactly is a Shrimp Boil? Well the actives define a shrimp boil as 5 hours of non-stop live bands, FRESH right off the boat shrimp from Wilmington, NC, and 1,000 of your closest friends. Well, that's exactly what happened. Brother Miller drove to the coast on Friday October 2nd to pick up 250 pounds of shrimp. Now have you seen 250 pounds before??? This was like 12 coolers FILLED with fresh shrimp. The festivities started at 6pm on Friday with Eddy boiling shrimp, corn on the cob, and sausage. This event was free to all UNC-Charlotte students. so everyone was

able to get as much shrimp as they wanted! Stay tuned for part II, crab leg boil.

## ZTA KNOWS HOW TO PARTY

With the new year starting, and sorority rush ending, why not have a mixer with one of the hottest sororities

at UNCC? The event took off mid September at Bad Dog - Burger and Brew with Zeta Tau Alpha. Their new girls were ready for sorority-life to begin, being that this was their FIRST mixer ever. Themed "Dazed and Confused", most of the actives came out with moustaches, mullets, and tight white T's. Everyone had a great time at the first mixer of the new year, and we plan to do something with ZTA very soon.

## SPORTS SECTION

Intramurals has started and CHI PHI is ready to show what we've got. So far, we have made it to the semi-championship

round for Men's Soccer and the Championship round for Men's 3v3 Basketball. Flag Football is starting within the next week. We are going to have 3 teams due to the size of our growing brotherhood.

## UPCOMING HAUNTED HOUSE

The construction of the 6th annual Haunted House is now underway with the help of Alpha Delta Pi. With the theme being a Haunted Carnival, anyone that dares to enter will be smothered with clowns and ghouls. This event will take place in the backyard of the Chi Phi House and will benefit both the

Boys and Girls Club of America and the Ronald McDonald House. More to come from this great annual event!

## GREEK ADVISOR MAYHEM

So, if you have not heard yet, this'll be news to you. Over the summer one of the Greek Advisors here at UNC-Charlotte, Ashley Postell, was caught embezzling funds from a variety of locations within the Greek Community. The accounts that were affected include Panhellenic, Greek Week, NPHC, and Order of Omega(Honor Society). The amount is still unclear of how much was taken, but after two years of tampering with non-profit funds, it is well into the thousands. She has been let go from the university without pay and is facing felony charges at this time. Currently, every council organization is doing extremely well and is ready to invite a new Greek Advisor in to replace the old. The new prospects will be interviewed by the councils so that the best pick can be made for UNC-Charlotte Greek Life.

## NEW STUDENT UNION!!!

There is a new Student Union on the University's campus.

This building holds numerous meeting rooms for student organizations, a game room, a movie theater, two dining halls, a new bookstore, and plenty of lounge area. This is one thing that our seniors wished they had when they were staying on campus. Supposedly, there is also a new "fine dining" section where one can go out, have a nice dinner, and have a few drinks. This is an improvement on campus being the first place where someone can eat past 8pm.

## UPDATED WEBSITE!

The website has now been updated with the current active brothers bringing our numbers over 50! This has been the largest group of guys in the past 10 years and we are proud to stay strong. Also, there has been an alumni section added where past and future newsletters will be posted. In case it ever gets deleted or needs to be viewed it is now at easy access. In addition, there will be posts from Geoff if he needs to get anything off his mind.

## UPCOMING 40TH

The 40th is just around the corner and there is a lot of preparation going on. Geoff Silverstein is currently setting the location of the event, and it is tentatively going to take place sometime in APRIL 2010. Keep the 2nd and 3rd weekends open because this is something that you wouldn't want to miss!
